

PLUNGES OFF CLIFF IN DARKNESS, MINDEN SNOWMOBILER CRITICAL

The life of a teenage snowmobiler who plunged over a 20-foot cliff north of Carnarvon early Sunday morning still hung in the balance late Tuesday.

That he is alive at all is believed due in great measure to the prompt action of his snowmobiling companions who had him in medical hands less than 20 minutes after the accident.

In critical condition but improving in Lindsay's Ross Memorial Hospital is Stephen Barker, 17, of RR 2 Minden who lost his spleen and more than half of his left kidney in emergency, life-saving surgery shortly after dawn Sunday.

A Grade 13 student at Haliburton Highlands Secondary School and a defenceman with the Minden Juvenile Kings, Steve is the oldest son of Anne and Don Barker, proprietors of the Li'l Chick Inn on Highway 35 just north of the North Shore Road.

He had gone for a midnight snowmobile ride late Saturday evening at a gravel pit less than a half-mile from his home when the accident occurred. He was accompanied by chums Allen Edward 'Mouth' Dixon, 19, of Pefferlaw and Joseph Albert Bartholamew, 22, of Beaverton who were spending the week with Rick Hone at his parents' cottage nearby, according to Mrs. Barker.

her son had had trouble with his snowmobile and decided to join the other two and get a machine a run shortly after he arrived at the cottage with some snow bars for the group.

Richard Poole elected 1977 Board Chairman

At the Inaugural Meeting of the Haliburton County Board of Education, held on January 11, 1977, Mr. Richard Poole, member for Dysart et al, was elected unanimously as Chairman of the Board for the year 1977.

RICHARD POOLE

Mr. Poole has been a member of the Board for 6 years and during that time has been on most of the committees. He was Vice-Chairman of the Board for 1976.

Hindon and Minden, welcoming the newly elected members to the Board, who were: Mrs. Victoria Agnew - Bicroft/Cardiff, Mr. Donald Booth - Anson, Hindon and Minden, Mr. Earl Cooper - Dysart et al, Mr. LeRoy Eager - Stanhope and Mrs. Dorothy Kinsman - Stanhope. This year the Board has more new members than since its inception in December, 1968.

The following committees were formed:

Salary Committee - Mr. Leonard Salvatori, Chairman, Mr. Don Booth, Miss Vaneita Pickens, Mrs. Dorothy Way, Mr. Ralph Young

Transportation Committee - Mr. Ross Anderson, Chairman, Mr. Earl Cooper and Mrs. Joyce McKey

Early School Leaving Committee - Miss Vaneita Pickens, Chairman, Mrs. Dorothy Kinsman, Mr. Albert J. LaRue, Mr. J. Douglas Hodgson

Hiring Committee - Mr. Norman Gilmore, Mr. LeRoy Eager, Mr. J. Lloyd Johnson, Mrs. Joyce McKey

Sabbatical Leave Committee - Mr. J. Douglas Hodgson, Chairman, Mrs. Dorothy Kinsman, Mrs. Dorothy Way as well as teaching staff representatives.

Retarded Children's School Advisory Committee - Mr. Ross Anderson, Chairman, Mrs. Victoria Agnew, Mr. Earl Cooper and three members of the Haliburton Association for the Mentally Retarded.

Ontario Public School Trustees' Association Representative - Mr. Leonard Salvatori

Mr. H. Lloyd Johnson, alternate Sir Sandford Fleming/Guild of Fine Arts Board Liaison Representative:

Mr. Richard Poole
Accounts Committee - Mr. Don Booth, Mrs. Victoria Agnew, Mr. Earl Cooper, Mrs. Dorothy Kinsman, Mrs. Joyce McKey
Special Projects Committee - Mr. H. Lloyd Johnson, Chairman
Mr. Leonard Salvatori, Mr. Norman Gilmore, Mr. Ross Anderson, Mrs. Dorothy Way, Mr. Ralph Young

WARDEN '77

Lutterworth council ups its pay

Wage adjustments ranging upwards in some cases over 200 percent from last year's figures were this week approved for both council members and staff as Lutterworth Township sought to bring itself into line with the rest of Haliburton County. Last year each member of council received \$27.50 for each of 30 regular and special council meetings.

This year council members will be paid a flat per annum rate for a minimum of 12 regular meetings and whatever number of special meetings are required. The flat rate will amount to \$2,700 for Reeve Pat Conaghan, \$2,500 for Deputy-reeve Bert Shingler and \$2,400 for councilors Bill Valentine, Gwynne Lewis and Ron Gambell.

For Clerk-treasurer Bev Millar it means an increase of about \$1,200 a year to \$10,000, bringing her salary into line with those in other comparable Haliburton County municipalities. For the township's Road Superintendent Floyd Miller and his driver operator their hourly wage is now

January of course is a time for New Year's resolutions and for that reason we have to do a little self appraisal. It's a very healthy sign to see it happening all around us.

The Ministry of Natural Resources is doing some very critical self appraisal and it is particularly encouraging to see any part of government do this without being pressured into it. One of the things the Provincial Ministry found when they looked over their situation was that the Federal government was spending even more money on water quality and fish management in our province than they were, and yet they were almost completely oblivious of what each other was doing. They are also looking at the fantastic number of agencies and departments that have some input into our resultant water quality in any given area. The ministry has drafted a number of proposals which they feel will vastly improve their results. Before they present these proposals to their minister they will be seeking opinions of them throughout Ontario.

We were honoured to be asked to speak to the South Algonquin Kinsmen Club at Wilberforce last week. The club passed a motion at this meeting to join the Chamber of Commerce in hopes the chamber can help provide better communications and co-operation of the various organizations in our county. There was also a considerable amount of self analysis done by members at this meeting. Some felt they were slipping into a social club atmosphere and all agreed to roll up their sleeves and concentrate on being a true service club. The community is bound to benefit through their determination.

In a little self analysis of this column it would seem that we have been remiss in not pointing out the considerable publicity that Sir Sam's Inn brings to our county and the number of winter visitors we entertain as a result. We are fortunate to have such a facility to help draw winter business. It is just unfortunate that we don't have more than one. Ever notice how few of our sizeable hills in this county face north?

With all this self criticism going on we hope the newspapers in which this column appears will not mind up pointing out some slip ups. Both the Echo and the Recorder last week omitted the last two paragraphs of this column. The Progress slipped by incorrectly reporting on the Ministry of Natural Resources Water lots. Hopefully all will be corrected this week.

Canada Manpower in Peterborough have also admitted to a couple of errors. A news release from them last week mentioned there were some immediate openings in a retraining course which is unfortunately not true, at the moment. They also advertised locally that those interested in Manpower services should contact the Peterboro office, whereas of course, you should contact the outreach office in Haliburton at 457-1316.

Now, don't you feel better now that we have all these wrongs being corrected?

COMING EVENTS

Lloyd Harrison heads Minden recreation in '77

The inaugural meeting of the Minden Recreation Committee has appointed Lloyd Harrison as its chairman, replacing Norm Harrison who stepped down as chairman following a number of years service in this capacity.

The new chairman brings a wealth of experience to this position, having served on the Minden Recreation Committee for the past couple of years and having children involved in Minden's various sports and recreational activities.

Appointed to the position of Vice-Chairman was Anson, Hindon and Minden councilor Al Coneybeare.

Joining Coneybeare and Harrison on this Committee are members Norm Harrison, Gala Stamp and Tom Prentice while Richard Parisotto returns as Secretary-Treasurer.

The committee decided to replace two of the plexiglass window panels, which are in poor shape, sometime during this calendar year and authorized the Secretary and Arena Manager to sketch plans for a proposed entranceway porch

damaged kidney and ruptured spleen.

Mr. and Mrs. Barker, who purchased Li'l Chick Inn and moved here just two years ago, joined police and medical authorities in praising the prompt action of their son's companions. They said they had been 'overwhelmed' by the great kindness shown since the accident, 'not only by our neighbors and friends, but scores of families across the whole of Haliburton County'.

PAY

FROM P. 1

replaced with annual salaries of \$13,000 and \$11,000 respectively, an effective increase of about \$400 each over 1976.

For the township's Office Assistant the hourly rate has gone from last year's \$3.30 to \$4.02 while the Bylaw Enforcement Officer has gone from \$4.02 to \$4.40. Township laborers, in 1975 one of the highest paid in the county, increased by only .02 cents an hour to \$3.90.

Mileage rate for all township officers and employees went from 19 cents a mile to 20 cents.

In explaining the new wage adjustments, Reeve Conaghan pointed out that the township had first conducted a special county-wide study. Council then attempted to bring wages and salaries into line, with special emphasis on a comparison with Sherborne, Mc Clintock and Livingstone where the assessment is on a par with that of Lutterworth.

Absent for Monday's special meeting were councilors Bill Valentine and Ron Gambell.

for the main doors.

The committee has also decided not to enter into a 'Summer Entertainment' program but rather open it to tender. This decision follows on the heels of a disastrous 1976 program which saw the Recreation Committee take a financial bath due to a poor response from the public and problems with some of the entertainers.

Coverup must cease

John Eakins, MPP (Victoria-Haliburton) last week demanded immediate production of financial documents and information related to Browndale (Ontario).

'In light of the incredible revelations contained in the Interministerial Report on Residential Services which Liberal MPP Margaret Campbell publicized last week, we demand that all information which Liberal Members of the Legislature have requested over the last year concerning Browndale (Ontario) and Ministry of Health's supervision of that particular Children's Mental Health facility be made public

What Salt Does to Car — And How to Combat It

*Winter is ice, snowdrifts, blizzards and corrosive road salts — a challenge to car owner and driver. As an aid to drivers, Ford of Canada has produced a report on ways to lessen winter driving strain, reduce wear on the car, improve the safety factor, and save drivers some money too. Information and driving guidelines are based on tests of drivers and cars operating under winter conditions, carried out by safety councils and others, and on data produced by safety councils, automobile associations, insurance companies and various provincial transportation departments. This is the third of a four-part series — Your Guide to Winter Driving.

thrown up by turning wheels can chip away protective coatings, leaving the bare metal exposed.

WASH CAR

One of the best, and cheapest, methods of combating salt is washing. Give your car frequent wintertime washing — of all exterior surfaces, including those underside areas that can be reached — in order to help prevent a buildup of corrosive salts.

Every three months polish your car with a good wax recommended by the manufacturer, to protect the paint and bright metal surfaces. At the same time, make a check of the drain holes in door panels to ensure they are not plugged.

The spring washdown with large quantities of clean water is particularly important to avoid the possibility that watered-down brine solution will stay at work through the mild, warmer weather, especially on humid days.

Parking in an open-air lot, driveway or unheated garage is preferable to leaving your car in a heated garage, since

warmer temperature, in combination with brine, speeds up the corrosive process.

Rust in cars caused by salt has attracted the interest and concern of government, consumer groups and motorists as the use of salt in Eastern Canada has increased.

One manufacturer, Ford of Canada, introduced the Duraguard Anti-Corrosion System on all its 1977-model cars sold in Canada. The multi-million dollar engineering and manufacturing process is backed by the 3-year Duraguard Corrosion Perforation Warranty.

Among the highlights of the system are a three-fold increase in the use of special rust resistant precoated steel, a vinyl protective coating under the paint on the lower body side to prevent chipping from stones thrown up by the wheels and redesign of certain areas which might trap mud or brine.

The Duraguard System and Warranty is not only unique in Canada, but Ford is the only manufacturer to have introduced it in this country.

The most important time of all to save electricity.

The demand for electricity in Ontario reaches its peak early in the evening on cold winter weekdays.

Between 4 and 7, everyone's asking for electricity. Many factories, stores and offices are still open. Street lights are on. The kids are home from school, parents home from work, evening meals are being prepared. And the heating system has to work harder. It all adds up.

Demands for electricity have been increasing at a pace that can no longer be met. The rate of growth must be reduced.

You can help by avoiding the big jobs like baking, washing and drying between 4 and 7. Make sure that unused lights, TVs and appliances are off. Take it easy on the hot water.

Please do all you can to save electricity.

Conserve energy.
The future depends on it.

Carnival

Minden Winter Carnival.

Yes, in just a little over a week's time it will once again be Minden Winter Carnival Time.

As usual, we intend to devote a portion of this page as a reminder to our readers that this event, one of the top two or three events in the county each year, is at hand.

But this time, the mails being what they are, we offer our reminder a week earlier than usual to give one and all just a little more planning time.

And, as usual, the Carnival promises to be an outstanding three-day event with parades, sports competitions, beauty queens, you name it.

However, a new event this year and certain to be a crowd-pleaser will be the sanctioned car races on a special iced track now being built expressly for the event.

All in all our Minden Kinsmen have planned an outstanding program you won't want to miss; so mark down January 28, 29 and 30 on your calendar and we'll see you here.

Expediency

Much has been written and even more said in recent days condemning the release by France of P.L.O. terrorist Abu Daoud, wanted by both West Germany and Israel as the architect, if not the triggerman, of the Munich Olympic Games massacre in 1972.

The move was an amoral trade-off, pure and simple, to curry favor with the oil-monopolizing Arab world and to ensure that the pending sale of 200 French Mirage jet fighters to Egypt would be smoothly and quickly completed.

France's action is particularly disheartening coming as it does after a year or so in which, seemingly, great strides had been made in combatting and preventing such acts of terrorism.

This, by the way, is the same country whose leader, during a visit to Quebec a few years ago, heralded the terrorism of the FLQ and the divisive rise to power of the Parti Quebecois with his rallying cry to our French Canadian countrymen of 'Vive le Quebec Libre'.

What price expediency!

GENIE IN A HARD HAT

Report from Queen's Park

John Eakins, M.P.P.

Last November, it was announced by the Provincial Government that four ministries would combine their efforts in an attempt to solve a long list of problems within the condominium industry. Officials from the Ministries of Housing, Revenue and Treasury and Intergovernmental Affairs are on the Committee known as the Ontario Residential Condominium Study Group, which is to examine some of the following problems:

Delays in registration of condominium ownership, leading to occupancy charges before ownership which are often much higher than rents in equivalent accommodation.

Delays by all levels of government in giving approval construction and registration.

Lack of managerial experience on boards of directors of condominiums.

Deficiencies in municipal services to condominiums.

Problems arising when too many units in condominiums are rented instead of owned.

Sales practices which could mislead purchasers.

Steep increases in maintenance costs after the first year, in which costs are guaranteed at a certain level.

Developers entering into contracts which are not in the best interests of future owners.

It is anticipated that the Ontario Residential Condominium Study Group will recommend changes in the legislation governing condominiums in time for action by the Legislature in the spring session. The Chairman of this Committee is Darwin Kealey, a former Conservative researcher and defeated candidate, and nine cities across the Province have been chosen as the locations for public hearings, at which the various aspects of condominium ownership will be examined. Presentations will be accepted from interested individuals and organizations.

The schedule of hearing dates, published last December 6th, is as follows:

1. Thunder Bay	December 15th, 1976.
2. Windsor/Sarnia	January 12th, 1977
3. London	January 13th, 1977
4. Brampton / Mississauga	January 20th, 1977
5. Toronto/East	January 26th, 1977
6. Hamilton/St. Catharines	January 28th, 1977
7. Ottawa	February 3rd, 1977
8. Kingston	February 4th, 1977
9. Kitchener/Waterloo	February 9th, 1977
10. Toronto (North of 401)	February 10th, 1977

One problem facing condominium owners which is receiving considerable attention is the existence of what is termed "double taxation", whereby they pay municipal property taxes on their buildings, while at the same time paying extra for services which other homeowners receive free, such as garbage collection and snow removal. Municipalities are now more familiar with condominiums and are starting to provide better services, in the opinion of the Committee Chairman.

Another difficult area is the question of "who owns what?" What happens, for instance, if a building should burn, and half the owners want to sell while the other half don't wish to do so? Supposing that owner of one unit does not pay his maintenance fees for the common areas. How can he be forced to meet his obligations? At present, it frequently happens that other owners have to pick up the tab so that the maintenance work is carried out.

In the majority of cases, each condominium building has a single hydro meter, which means that a single owner pays the same share of the monthly bill as the head of a large family which may use twice as much electricity. See you next week.

c o m m e n t

Along The Trails

with
**The Highland Snowmobiler
and Roy Bates**

Slush Warning

Lakes were just getting to the stage where snowmobiling on them was considered safe when last week's heavy snowfall came. The resultant additional weight is increasing the slush hazard by bringing water up through air-holes and cracks. Best advice to snowmobilers is to stay off lakes until the condition is improved. A January thaw would do it. So think rain!

Grooming Starts on HCSA Trails

While there has been plenty of snow for some weeks for snowmobiling, the condition of the snow was such that grooming was not practical. Even the new snow of last week did little to improve the situation. It is too loose and fluffy to properly support equipment, therefore grooming must be done extremely carefully to avoid costly damage from hidden hazards on the ground surface.

Bombi No. 1 went into action late last week in the Minden area, working the Digby Mountain route and other trails in the circuit established last year.

Bombi No. 2 is expected to be delivered early this week (by the time you read this it should be working along the trails) and it will be used to extend the groomed trail network throughout the County. The club hopes to provide a minimum of two hundred miles of regularly maintained snowmobile routes for your enjoyment this year.

We regret the late start, but we can't fight the weatherman. On talking with officials from other clubs, as far North as Bonfield in the North Bay area, the problem of snow quality seems to be universal. There is lots of snow - too much in some cases - but it will not pack for a satisfactory trail base.

The OSDA Snofari at Barrie, January 15th, was run on trails manicured to the Nth degree by the Huronia Snowmobile Association, yet the first dozen riders tore them to pieces. Grooming crews worked diligently all day to keep the 50-mile route in half-way decent repair. However, the event was reported to be the most successful Safety Snofari ever staged by the Ontario Snowmobile Distributors Association.

Operator Training

The first school for snowmobile operators, to prepare them for the new licence available after age twelve, is scheduled for January 21st and 22nd, with classes beginning at 7 p.m. both Friday and Saturday evenings. The instructor is Bob Patton, phone 489-2489. The location is the Stanhope municipal equipment sheds, adjacent to the Fire Hall, on the North Shore Road. This first school is pretty well filled up but Bob assures me that he will be holding a second one in a couple of weeks. Also, there will be one in the Haliburton area, now tentatively planned for the HCSA clubhouse at Donald, February 5th. This writer will be the instructor. For registration forms, write or call Roy Bates, RR 2, Haliburton, 457-1658. Any person may take the safety training course, but only persons over the age of twelve and not holding a valid drivers licence will be eligible for licencing.

Schools for additional instructors are being held in all parts of Ontario. It is expected that some 800 instructors will be certified, and many thousands of young snowmobilers will be trained and licenced under the program by the beginning of the next snowmobiling season.

A Vote of Thanks

We couldn't help noticing the array of items in the papers last week enthusiastically welcoming the influx of cross-country skiers to Haliburton County. We, too, welcome them to this great and beautiful country which seems to have been made with winter recreation in mind, and we hope the people in the accommodations field will extend every effort to cater to their needs, but we do wish to point out a couple of simple facts that the writers of those articles may have momentarily forgotten.

The majority of business establishments now able to cater to skiers are open today only because the snowmobile has made winter operation profitable. We hope the skier will make it profitable for even more businesses to open in winter, but the profit motive is not really our chief concern. Let us consider other ways the snowmobile has benefited the community.

Look first at Haliburton Forest and Wildlife Reserve. For years that company has provided employment for a number of people, local people, who derive a large portion of their income from the snowmobile. How many jobs would be non-existent if the Reserve had been closed every October?

Look also at the Haliburton County Snowmobile Association. The first successful efforts of that organization were to promote the County for winter recreation. Their trail map, in its three editions, has been distributed to the four corners of the Province and beyond, and its

A new Federal Government Employment Strategy to be administered under the Minister of Manpower and Immigration has recently been announced. The new program will run over a 5-year period and thus will be a continuing program carried out on a year round basis.

The new job creation program is called "Canada Works" and it is aimed at fighting unemployment by providing funds to groups and organizations for worthwhile community projects. Any established organization may submit an application and submissions by individuals or newly formed groups will be considered for funding when local circumstances are such that no established organization is available to sponsor the project. Municipalities and other primarily tax supported groups are not eligible to sponsor projects unless they can establish that the proposed activities will be an addition to their normal on going type of activities. In order to counter seasonal and regional unemployment, a system of project application phases will be instituted. For the first year of the program the application deadline for Phase 1 will be February 4, 1977. This will allow projects to commence April 4, 1977 and Phase 2 will have a deadline of August 26, 1977, allowing projects to commence at the end of October.

In addition, a youth element entitled "Young Canada

Works" will operate throughout the summer months. For this program, emphasis will again be placed on sponsorship by recognized and established organizations. Activities which benefit the employees by offering jobs that will either facilitate their future access to a labour market, relate to their career or educational aspirations, will be stressed.

The specific allocation of funds for each constituency has not yet been determined but applications are available at all Canada Manpower Centres and Job Creation Branch Offices. I urge all interested organizations to secure applications and instruction sheets from their nearest office as soon as possible so that applications can be received prior to the February 4th deadline.

fourth edition now in the works will probably go even further. Now that there are groomed trails to promote, this HCSA effort can be more meaningful.

Since the influx of dollars appears to be most important let us observe a few of them in action. Over the past two snowmobiling seasons the club received by direct grants from the Government of Ontario, grants made possible by snowmobile revenue collected by the Province, a total of nearly \$25,000. By far the greatest portion of this money went to salaries for trail workers. The improvements to snowmobiling facilities thus accomplished has increased the profit potential of almost every business operator in the region.

While it is still too early in the season to establish accurate totals, the club anticipates that its overall expenditures this year will be in excess of \$35,000. Except for the purchase of equipment not available here, ie, \$12,000 for the new Bombi, this money will be spent in the County on salaries, fuel, and machine maintenance.

We've mentioned only the tangible benefits, the efforts that can be recorded and measured by their success or failure. What about the many hours or days contributed voluntarily by members of the organization to make those efforts work? These cannot be measured. But surely they can be recognized.

This writer, a snowmobiler and one-time-skier, and citizen of Haliburton County extends to the HCSA sincere and grateful thanks for a job that though not completed - has been VERY WELL DONE.

perfect world of total pleasure is your 30th birthday

Hall's Lake News

Doreen Stinson

The weather has been cold and blustery and there seems to be no let-up in the blasts of cold wind. However, this week-end with more moderate temperature and sun melting began and now we hear of leaking roofs and slush on the Lakes, just what the snowmobilers don't need on their week-ends.

Last Sunday at St. Stephen's Church, Boshkung, two lovely flower standards were dedicated by the Rev. Douglas Brown. These were especially made at Bon Accord Farm in Elora for the church and in fond and lasting memory of Mr. William Mole, Warden for many years, given by neighbours and friends.

I owe an apology to Mr. and Mrs. George Hunt, recently married, for I mentioned that Mr. and Mrs. Morris Mac Lachlan had stood up with them at their wedding ceremony, whereas I should have said Mr. and Mrs. Ed Gooderham. Sorry for this.

Mr. Albert Hart played the organ at Hyland Crest last Thursday while the Ladies served afternoon tea to the Residents. He has again left for Toronto where his daughter and husband from Edmonton will be arriving to spend the week-end.

of her friends will be wanting to remember her.

Club 35 New Year's Eve Party was the usual success with folks driving as far as from Kingston to join in the merriment. Elmer Russel and his popular Group provided the music, with Mr. Hart at the Piano and Mr. Wm. Gartshore calling the Squares. Florence Lindsay and her Committee provided a great buffet supper at midnight and everyone agreed it was a good Party.

Persons interested in instruction in oil painting are invited to leave their names and phone numbers with the Librarian at the Welch Memorial Library, Stanhope, or telephone Mr. Alex Stevenson at 489-2496. If sufficient people are interested, a Group will be formed and the fees, as well as the duration of the course, will be determined. Those interested will then be advised of the particulars, but they hope to hear from ALL age groups.

The Rev. Douglas Miller and his wife have come to take over the United Church charges and is already making quite an impression on the people at Carnarvon United, and very interested in getting to know the Residents of Hyland Crest. We welcome him to this area and trust their stay will be a happy one.

JAWS

A Haliburton County-wide campaign to equip the area with the life-saving 'Jaws of Life', got under way last Monday evening with a special presentation to the Minden Rotary Club by Stanhope Fire Chief Dick Kinsman and O.P.P. Community Services Officer Wim Magee. The Jaws of Life is a mechanical device of tremendous power which cuts through, squeezes or pries apart wrecked vehicles in virtually seconds to free trapped motorists. This portable, life-saving device was demonstrated before a variety of fire and rescue groups at Stanhope last Fall and drew raves from

WIM MAGEE

astonished onlookers. In a campaign to obtain one of the \$8,000 devices for use in the county the Haliburton County Mutual Fire Aid System under its president Dick Kinsman is spearheading a special fund-raising drive. Monday he told an impressed group of Minden Rotarians all about 'Jaws' to kick off an across-the-county drive. With him was Constable Magee with suggestions for a possible fund-raising project a group such as the Rotarians could use to help the cause along. Both speakers said they would be appearing before other county groups and organizations in the near future.

DICK KINSMAN

Tom Montgomery and his family from Downsview were up this week-end for some good skiing at Sir Sam's. As a part of his school work which he specializes in he had about a dozen beautiful black and white mounted photographs of local scenes, as well as downtown Toronto from the CN Tower. He has a real talent for photography.

Mr. and Mrs. Cecil Irwin and son Mr. David Irwin came for dinner Saturday evening, and it is good to see Jean out again after her serious illness.

Hello to Mrs. Muriel Brown in Brampton who says she still misses her many friends in Haliburton. We miss you too, Muriel!

Several neighbours of Bud Green's of Carlisle came up to Sandy Lane Resort this week-end to enjoy the great outdoors and do some ice fishing.

Loralea Lodge has been undergoing some decorating since the nasty fire they suffered before Christmas. New paint and rugs have made it attractive and comfortable again and they are Open for Business. Best wishes are extended to the shut-ins of the area, and those away from their homes. We think of Hazel Welch at Extencicare, Eddie Hewitt at Hyland Crest, Laura and Dave Harrison in their home, Mabel Sawyer, Roy Anderson, Marj Watson, Charles Welch, Lizzie Johnson in Toronto, Muriel and Billy Leech in St. Thomas, and all the others who have to take it easy these days.

Sorry to hear just today of the passing of Mrs. Floyd Hall and send our condolences to Floyd and his family.

The first meeting of the new Year for the Auxiliary of Hyland Crest is coming up on the last Monday of the month, a week this Monday at 8 pm. New recruits are always welcome and new ideas. This coming Wednesday the regular meeting of Club 35 takes place at 7.30, cancelled from last week.

Received a Christmas Card on Tuesday mailed in Burlington December 20th. Received calls from Hamilton asking if we were in Peterboro Hospital again (because our Christmas mail had the Peterboro stamp on it), and find out that even business mail going out from here to Minden was sent to Peterboro and arrived many days later. Seems rather queer that business mail should be sent 90 miles away to be sorted and distributed to a Minden address!

We shall miss Mrs. Jane Fairfield when visiting at Hyland Crest as she always had a cheerful smile and some homespun philosophy to share with one.

The birds are back to our feeder again and have learned that the blue jays like egg shells. They let us know when the basket on the tree outside our kitchen window gets empty.

So long for this time!

The Senior League

Happy New Year everyone and welcome back to another year of news coverage on our SENIORS at Hyland Crest Senior Citizens' Home....

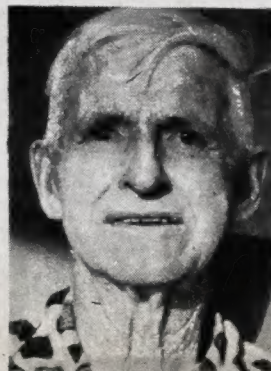

Two new residents have entered Hyland Crest since the New Year, EDWARD PEACOCK of Lochlin, in Snowdon Township and Mrs. ELEANOR LAW of Minden....

Tuesday Chapel Service this week was taken by the new United Church minister, Rev. DOUGLAS MILLER....

With the Minden WINTER CARNIVAL just two weeks away the residents are very busy in CRAFTS making decorations for their FLOAT, and the Paraplegic Bus....

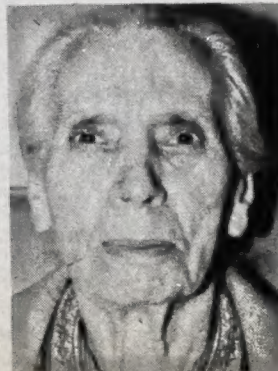

With 8 Hyland Crest staff members taking the HEALTH CARE COURSE every Tuesday (at Hyland Crest) and Wednesday (at School of Fine Arts in Haliburton), the many VOLUNTEERS who have been helping out in their absence are to be thanked....

This year's Annual VALENTINE'S DAY DINNER PARTY will be replaced by a FORMAL DINNER PARTY to be held on Friday, February 4th at 5.30 pm at Hyland Crest. This Party will be held for the residents and invited guests and will feature live entertainment.....

A.I.D. to aid County pets

DON WOLFRAIM AND FRIEND

The call went out early this week for every concerned Haliburton County citizen to volunteer their time to help a much-maligned part of our society - our four legged friends, both domestic and wild.

A non-profit, volunteer organization aptly named AID - Animals in Distress - is now being formed to provide badly needed assistance to the growing number of abandoned and injured animals found throughout the County. The brainchild of Don Wolfraim, who, in conjunction with his wife Mae, owns and operates Mae's Bookstore in Minden, this organization has already found homes for abandoned animals through the use of his business operation on Main Street Minden. The project includes the

opening of a 'distress centre' where both domestic and wild animals may be brought in for, among other things, medical treatment and protection from exposure.

A central complex of kennels and wild-life sanctuary is also planned for the Eagle Lake area.

'A great deal of money is spent every day on two-legged citizens, but precious little on four-legged ones', Don pointed out. Every year thousands of animals are destroyed for reasons ranging from inability to find new homes to economic problems. Many more face starvation and extinction. AID hopes to provide viable alternatives to the senseless destruction of animal life. It is estimated that hundreds of animals will

Kinette Korner

by Beverly Pettes

The regular meeting of Minden Kinette Club was held this past week in Carnarvon. Vice-President Diane Booth ably chaired the meeting carrying us competently through a few controversial issues.

The highlight of the evening was the formal candle-light initiation of our three new Kinettes: Mary Hamilton, Joan Roman and Linda Schlosser. The initiates were duly installed by their sponsor, Kinette Marg Prentice and then personally welcomed by all club members.

We were very grateful to receive a donation from Mrs. Harvey in memory of the Late Jeanne Harvey, always remembered fondly by fellow kinettes. February meeting we are welcoming our husbands as guests and propose to have Bob Penfold as guest speaker to enlighten us on the proposed library museum.

FEBRUARY 12th is the

date to jot down on your calendar. This will be, as always, a night to remember! Our annual Valentine Dance will be held at Minden Community Centre. The halls and tables shall be beautifully and artistically decorated, we shall be bringing you a D. J. of renown from southern Ontario, plus a super scrumptious buffet to be served at the close of the evening. Come out bring your sweetheart for a fun-filled Valentine Special and all for the low, low cost of \$7.00 a couple. Tickets may be obtained by contacting any Kinette or phone 286-1688.

The theme for this years Anniversary Night will be "T.V. Specials". This event will be held early May, so start planning you costume now.

See you at the Carnival where there will be action for all - the young, the old, the not-so-young and the not-so-old!!

find new homes this year through the services of AID.

Currently, the organization is developing co-operative affiliations with groups such as the Humane Society and the Society for the Prevention of Cruelty to Animals (SPCA).

Costs of these services are expected to be met through private financing, donations and government grants.

However, most of the services provided by AID will depend upon the volunteer efforts of local individuals and groups interested in helping our animal friends who are unable to help themselves.

You'll want to lend a hand so drop in and see Don at Mae's Bookstore in Minden or give him a call at (705) 286-1369 or 754-2372.

About the Town

with Jeanne Sears

Next full weekend will be the Kinsmen Winter Carnival from 28th - 30th with events planned for the entire time. Included is the Snow Queen Contest for Juniors and Seniors with entries limited to 15 in each group; so get your name in soon.

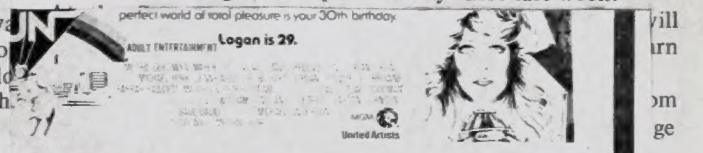

Winner of First Snowball of \$84 in 22 numbers called at Rotary Bingo last Thursday was Malinda Woods. Congratulations to her.

On display in the window of the Recorder office is the painting done by and donated by Cy Heal to be raffled Jan. 29th. The funds from this go to the Museum-Library project; have you purchased your ticket yet?

All their friends send good wishes to Mrs. Holly Stevenson at Haliburton Hospital and Mrs. Les Hogg at Civic Hospital, Peterborough.

Hint of the week. If you see salt tracked in on your rug, clean it up and wipe off the spot before it dries.

Sincere sympathy goes to the families and friends of the late Mrs. Floyd Hall, Mrs. Fred Griffin, Hugh Griffin and Mrs. Clayton Rogers who passed away since last week.

22

Sun. 23

Nothing do they cost
Yet when they are wanting
Life's best chum is lost.
Little acts of kindness
Richest gems of earth
Though they seem but trifles
Priceless is their worth.
Little acts of kindness
Oh how patient they
Do dispel the shadows
Of life's cloudy days.

Anon

During Carnival weekend there will also be Soup and Sandwich lunch at the Parish Hall Jan. 29th from 11.30 to 2.30 by the Ladies Auxiliary of Minden Boy Scout Association.

Do you think this is true? The best way for a wife or mother to have a few minutes to herself is to start doing the dishes.

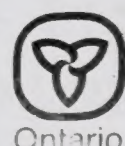

Have had some cold weather, not much snow, we notice many fishermen enjoying their sport and many snow-machines. Be careful.

Cheerio until next time.

NOTICE

Do you consider your woodlot to be a source of income? Many private land-owners rely upon the financial gains resulting from periodic timber harvests. The Ministry of Natural Resources invites you to take advantage of our FREE Timber Marking and Advertising Service. Marking will be carried out by our experienced staff, following the most up-to-date forestry practices. Market competition arising from the advertisement of your timber will ensure that you receive a fair price.

For further details please contact the Ministry office in Minden at (705) 286-1521.

happenings

On January 11 the 1st Minden Beaver Colony had a real fun meeting. The Beavers and some of their parents all met at the Public School, each with a toboggan in tow. They all then proceeded to walk up a hill at the school; and everybody had a great time tobogganing. After their fun on the hill, the Colony, parents and the leaders all walked over to Joe Dollo's garage where Mr. and Mrs. Dollo had the garage comfortably set up with a wood burning stove for warmth. Hot dogs and hot chocolate were enjoyed by all.

FROM THE LINDSAY AGRICULTURAL OFFICE

HALIBURTON LIVESTOCK PRODUCERS MEET

Over 60 livestock producers from across Haliburton County attended the regular meeting of the Livestock Producers Association held in Minden last week.

President, Ross Warburton announced that a request has been sent to the Veterinary Services Branch to have Haliburton County become a designated area for Veterinary Assistance. This is in an effort to obtain a local veterinarian to serve the large animals of the County.

The executive of the Association are acting as the Veterinary Services Committee. Their main task now is to obtain accurate statistics on the livestock population in Haliburton County. The co-operation of all County livestock owners with this survey

would be appreciated.

COMING AGRICULTURAL EVENTS

Jan. 22 - Victoria County Hog Producers Banquet and Annual Meeting and Dance at Cameron Hall, starting at 6.30 pm.

Jan. 23 - Zone 2 Junior Farmers Winter Games program will be held in Fencelon Falls.

Jan. 24 - Victoria County Holstein Club Annual Meeting will be held in the Agricultural Office, Lindsay at 1 pm.

Jan. 26 - Haliburton Highlands Maple Syrup Producers will meet in the at 10 am.

Jan. 26 - Lindsay Central Exhibition Banquet and Annual Meeting at Ops Community Centre, starting at 6.30 pm.

Crime drops across Haliburton in '76

A recent report released by O.P.P. Commissioner H. H. Graham shows a substantial drop from 10 down to 7 per cent in the rate of crime increase across Ontario during 1976.

Undoubtedly playing a substantial role in providing these favourable statistics was Haliburton County and the O.P.P.'s Minden Detachment where crime didn't just increase at a slower rate during 1976 but actually decreased.

In figures released at Minden this week, 1976

Jan. 27 - Haliburton Livestock Producers Association Executive Committee will meet in Minden at 7.30 in the evening.

showed a decrease of some 20.5 per cent in thefts, including car thefts, over 1975 and a whopping drop of 49.1 per cent in assaults during the same period.

During 1976 there were no murders in Haliburton County, nor were there any attempted murders. There was exactly one robbery, while break-ins remained virtually the same as in 1975 with a miniscule one percent increase.

On the highways there was a 3.1 percent increase in collisions, with highway deaths remaining the same at five for the year, while the number of persons injured dropped by a dramatic 18.3 percent.

Goalie Terry Crowe, outstanding

Minden Peewee Monarchs win Bobcaygeon tourney

The second Championship of the year came to the Minden Minor Hockey organization this past weekend, when the Prentice Skidoo Peewee Monarch's captured the Bobcaygeon Peewee Invitational Hockey tournament.

In the first game of the tournament the Monarchs met their old rivals from up the highway, Haliburton Peewee Huskies. As is usual when these two meet, it was a tough hard-fought match. After two periods the score was tied at 0-0. However, in the third period, Minden got on the scoreboard when Jimmy Pettes broke away for an unassisted, shorthanded goal. Just under two minutes later John McKelvey took a pass from Greg Austin and flipped it over a spawling Huskie netminder. Then at 9:33 Greg Austin notched the final goal from Jim Pettes and Minden advanced to the semi-finals with a 3-0 shutout. Huskies had 6 penalty minutes while Monarchs had two.

Goaltender Terry Crowe was the outstanding player of the game, stopping many dangerous shots by the Huskies in the first two periods to hold the Monarchs in the game.

In the semi-final matchup, Minden came up against a highly favored to win Double "D" team from Newcastle. Newcastle had already defeated a Double "D" team from Bowmanville, 4-2.

Minden came out strong, starting off where they left off in the Haliburton game. With hard skating and good backchecking they mesmerized the bigger team from Newcastle, who had stated earlier in their dressing room that they would 'wipe' Minden.

The Monarch's started their six-straight goal scoring spree at the 7:25 mark of the first period. Jim McKelvey opened the scoring from Kevin Hamilton, then Ivan Ingram from Kevin, Kevin from John McKelvey and Terry Allore, John McKelvey from Jim McKelvey and the fifth, an unassisted end-to-end rush by Terry Allore, and the sixth goal by Bruce White from Ivan.

Newcastle spoiled Terry Crowe's bid for a second consecutive shutout at 3:37 of the third on a goal by Bob Stiles. Final score 6-1.

Minden had 8 minutes in penalties to Newcastle's six.

The Monarch's were now in the Championship Game against their hosts, Bobcaygeon, who had edged Omamee 2-1 and then Peterborough 4-2.

Minden, having only one goal scored against them in two games and Bobcaygeon, 3 goals in 2 games.

With lots of fast skating

ing from end-to-end and numerous scoring opportunities, the goaltenders just would not give up a goal and consequently the game was tied 0-0 at the end of regulation time.

Five minutes of overtime was arranged, with the first goal to decide a winner or the most shots on goal from inside the blueline if no goal was scored. Greg Austin, playing probably the finest hockey of his young career, was a standout in the overtime. He stopped in the neighbourhood of six or eight shots in front of Terry Crowe and finally picked up the puck and skated down the ice. Finding himself one on one with just one Caygeon defencemen to beat, he skated around him and fired the puck, just missing the net but Ivan Ingram had followed Greg and he slammed a shot at the net from close range and in typical over-time fashion the dang puck hit the post. However, after three more shots by both Greg and Ivan, Ivan finally found the mark and the game was over. Oh yes, all the time this is going on, the Monarch's are shorthanded.

The referring once again was well below par, as they assessed the Monarch's 16 minutes to Bobcaygeon's six.

The two that really could have hurt our lads, was the one with three seconds left in regulation time and then just as he returned to the ice in the overtime, they gave Minden another one. This is the penalty Minden scored on. In the overtime, Minden outshot their hosts 4-1.

The Congratulations fellows for a fine team effort. You are a great bunch of guys and a special thanks to the fans who supported us so well.

The Consolation Championship was won by Bowmanville, 6-3 over the Haliburton Peewee Huskies.

Minden now meets Ops in the first round of the play-offs, time and dates are not set as yet, so watch for posters in the next few days.

Midget Monarch's lose in Consolation

The Walkers Lumber Midget Monarch's travelled to Ops on Saturday to take part in the Ops Invitational Midget Hockey tournament.

The Monarch's opened the tournament with a game against Beaverton and lost 3-0 dropping them into the consolation round of the tournament. This was also a league game for Minden and Beaverton.

In their semi-final matchup, they drew Lindsay. In a very closely contested game, Minden prevailed to the score of 3-2. Brian Shaw played a great game,

scoring all three goals for Monarchs.

They now entered the Consolation final against Cannington, but without their top player David Brown, who had prior commitments and couldn't play in the tournament, Minden was easily downed 6-1. Dan Allison scored the lone goal for Minden.

The Midgets have one game left in their seasons schedule, that with Haliburton on Tuesday evening and then its play-off time at the Centre next Saturday afternoon at 6 p.m.

Bantams finish season, winners

The Minden Jadek Sport Bantam Monarch's ended their league schedule on Saturday at the Centre with a victory over Cannington 5-3.

This was not one of the better games of the year by the Bantams, but they managed just enough offence to win.

The game seesawed back and forth and the long shot seemed the order of the day. Twice Monarch goalie Shawn Silvers was beaten from long range, one from almost the full length of the ice, when Cannington was killing one of their 26 total penalty minutes. Tim Davies also got into the long-shot act, scoring from center ice.

Ronnie Yake scored twice for Monarchs while Bret

Moxan picked up the final Minden goal.

Minden picked up 8 penalty minutes.

Earlier in the week Minden lost and won.

In Little Britain on Wednesday they were defeated 5-3. Ronnie Yake, Greg Carpenter and Tim Davies scoring in a losing cause. Then on Thursday evening in Haliburton the Monarchs edged the Haliburton Bantam Huskies 6-4 in a wide open game. Scott Arbuthnot led the Minden attack with two goals while singles went to Tim Davies, Greg Carpenter, Ronnie Yake and Shawn Chapman.

The Jadek Bantams now open their play-offs on Saturday afternoon at 4:30 p.m. against either Ops or Sunderland.

Atoms continue to explode

The Minden Yake Electric/Red & White Atom Monarchs continued their explosive scoring binge over the weekend, downing first Haliburton 8-1 and then at the Centre, Little Britain, 12-1.

Three players scored twice in the Haliburton game, Kevin Warburton, Scotty Yake and Scotty Hamilton. John Dillon and Robbie McLeod scored singles.

At the Centre on Saturday afternoon, Little Britain was crushed 12-1 and the score could have been much higher if not for the Little Britain netminder.

Jeff (Boomer) Stamp was in high gear throughout the game and shot four goals and added three assists for seven big points. Kevin Warburton and Scotty Yake were right behind with six points each and Scotty with three goals

and three assists and Kevin with one goal and five assists. Robbie McLeod came up with his finest game of the year, scoring twice and assisting on two more. Scotty Hamilton scored the other two goals.

The Atoms now go on the road for two games, in Bobcaygeon on Tuesday evening and Fenelon Falls on Thursday, before returning to the Centre to host Bobcaygeon in a return match next Saturday.

Juveniles drop a pair

The Vasey Real Estate Juvenile Monarch's ended a long and disappointing season on Sunday at the Centre with a 5-4 loss at the hands of undeafed Ops. The game was a four-pointer and very important to Minden as to who they would meet in the play-offs. It now appears that either Ops or Sunderland will be here on Friday evening at the Centre to open the best three out of five series.

Steve Pettes, Brian Shaw, Scott Gartshore and Dave Brown scored in the Ops game.

On Friday evening at the Centre, the Monarch's were dropped 8-4 by Sunderland. Scoring in a

losing effort were Dave Brown with two and singles went to Shane McKelvey and Scott Gartshore.

The final league record for our Monarch's was 4 wins, 8 losses and two ties.

LET'S GO BOWLING

Carnarvon Lanes yields big games

The more than \$3,000 that owner-operator, Gord Everall of Carnarvon Bowling Lanes, has spent on the pinsetters has more than paid off for the bowlers this season.

To date their have been some Half dozen 400 games bowled, the highest being that of Ken Sawyer on Saturday, when he put together eleven strikes in a row and then punched a headpin for 440. Fred Cox rolled a 405 game just two weeks ago in the Tuesday Commercial No.2 league.

There have also been ten games over 350 rolled in league play since the beginning of the season.

The top game, that of Don Hicks on the Men's Commercial with 374, Rick Harding of the Maple Lake League rolled 371, Gord Everall of Tuesday Commercial

No. 2 has a 369 and a 351 in Men's Commercial; Ronnie Robinson Jr. has rolled 363 and 361 in Men's Commercial; Ian Coltman 361 in Men's Commercial; Wayne Coltman 360 in Men's Commercial; Dan Harding 364 in the Maple Lake league and Eddie Cox 351 in the Men's Commercial.

The number of 300 games this year has also near doubled with still half a season to play.

The thanks have to go to Gord for his tireless efforts in replacing worn out equipment with new and making the general bowling area more attractive with fresh paint and partitions.

On behalf of the 1000 Lakes Bowl at Carnarvon who are members of the Ontario Bowlers Congress, I'd like to thank Gord for his long hours of work on our behalf.

Cathy Darby jumps to 50 pin lead

With one week to play in the Carnarvon Lanes 4 Steps to Stardom Qualifying tournament, Cathy Darby has jumped into a 50 pin lead over Ann Everall in the Junior Girls division. Cathy put together singles of 245-191-198 for 634 and a six total of 1134. Ann came up with 172-210-199 for 581 and a six game total of 1084. Third place belongs to Linda Booth who had singles of 111-222-152 for 485 and six game total of 911.

The Junior Boys division is where the real fight is going on for the Singles Championship. At present Ronnie Yake is on top with 1056. However, Mike Hatoski is only 12 pins behind at 1042 and then comes Scott Arbuthnot with 1037.

Another hotly contested battle is going on in the Senior Boys division between, David Barker, David Everall and Tim Davies. Barker is the leader at the moment with 1092, just eight points up on Everall who has 1084. Then Davies with 1023.

Three Divisions are all but settled, the Senior Girls Singles Champion is Diane Cowan, the Bantam Boys Champion is Jeff Stamp and the Bantam Girls Champion is Dale Allison.

The six Singles Champions and the Junior Boys team will advance to the Zone Finals on February 26th and 27th at a Centre to be named later.

Other outstanding performances in Y.B.C. action on Saturday were, Tim Davies Senior, 259, Dave Everall Senior, 249, Jeff Stamp -Bantam, 201, and Junior Ron Yake 209-225-203 for 637

Barker's Boozers lead Dusters

After three weeks play in the Carnarvon Lanes Youth Bowling Leagues (Bantam, Junior and Senior), Barkers Boozers have jumped into an eleven point lead over Dave's Dusters in the Senior Boys division. The Boozers have 16 points to the Duster's 5.

In Bantam action, the Strikers hold a two-point lead over the Super Strikers, 11-9.

In Junior competition, the Hell's Angel's are now in front with 12 points followed by the Devil's

Angel's with 10 and then the Yake's Rollers with 6 points.

Individual leaders to date are:

Bantam High average- Barbara Adams, 134 and Jeff Stamp, 144. High Single- Dale Allison, 163 and Jeff Stamp 201. High double- Dale Allison 290 and Jeff Stamp 364.

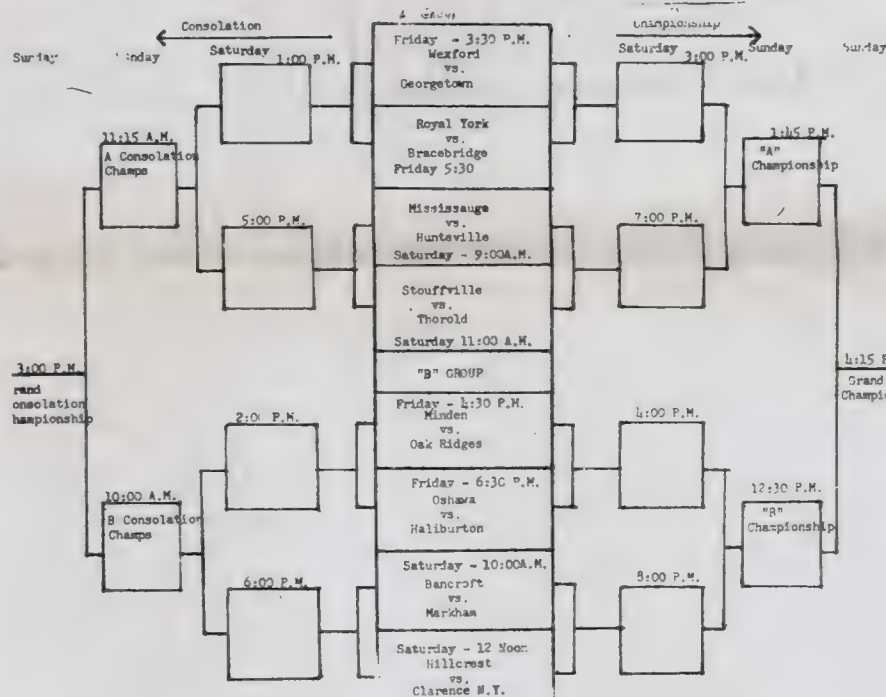

Junior High average- Ann Everall 184, and Ronnie Yake 176.

High single - Ann Everall 268 and Mike Hatkoski High Triple- Ann Everall 648 and Mike Hatkoski 645.

Senior High average- Diane Cowan 144 and Dave Everall 205, High single Diane Cowan 205 and Dave Everall 279. High triple Diane Cowan 532 and Dave Everall 777.

Haliburton Minor Hockey AssoC.

Haliburton's Annual Atom Hockey Tournament becomes International

Haliburton will once again be alive with ten year old boys in their club hockey jackets as the third annual Kashagawigamog Atom Tournament gets underway. This year the tournament becomes international due to the inclusion of a team from Clarence, New York. This team has been planning their trip to the Highlands for some time and are very much looking forward to the experience they will gain from it.

The tournament gets underway at 3.30 on Friday afternoon with 4 games taking place before the Juniors take over for their Friday night home game. Saturday the games get underway at 9.00 am. and continue for 12 hours at which point finalists will have been declared in each of four divisions. Sunday morning at 10.00 am the championship finals begin and by 4.15 that afternoon the Grand Championship final will wrap up the week-end. In total, 16 teams will have participated in 22 hockey games and been presented with over \$500 worth of trophies and crests.

From the Toronto area we will have teams visiting us representing Wexford, Royal York, Mississauga and Hillcrest. O.M.H.A. teams from Georgetown, Bracebridge, Huntsville, Stouffville, Thorold, Oak Ridges, Oshawa, Bancroft, Minden, Markham, and of course the host town of Haliburton.

The Lake Kashagawigamog Tourist Association was the driving force that got this tournament started three years ago. They approached Haliburton Minor Hockey Assoc. and suggested that a co-operative venture be undertaken in hopes it would generate accommodation traffic for their members. The tournament not only fills all the member resorts but many others for miles around and in addition to that has made a profit for both sponsors. The resort owners have spent a considerable portion of their share to outfit our Atom team with their own distinctive uniforms with which they have just been supplied. So successful has this co-operative venture been that

the same agreement has been made for the annual Pee-wee tournament which is coming up on the 11th of February with 22 teams participating this year, including some 'A.A.' minor pee-wee teams.

All Haliburton residents are urged to make these youngsters and their parents feel welcome and there is no better way than coming over to the arena and cheering them on. You don't have to be a hockey fan to enjoy watching youngsters this age play hockey. If you enjoy children, you can't help but enjoy this type of tournament action. You may purchase a pass for the whole week-end or just for the day. Don't miss it - it only happens once a year.

MORE SPORTS

Jeannie Foster rolls 337

WEDNESDAY AFTERNOON

Last week Jeannie Foster of the Wednesday Afternoon league rolled the top Ladies single of the season, 337. Now this week Linda Morrison put together singles of 276-218-312 for 806 and raised her average to 224, the highest Ladies average at Carnarvon Lanes.

MAPLE LAKE

Wes Stata continues to lead in the Maple Lake league with 33 points. Second is Dan Harding at 22 and tie for third are Ron Robinson Sr and Ev Stata with 21 points. Ronnie Robinson Jr. tops the men in average with 249, while Ev Stata leads the ladies with 225. Rick Harding owns the top men's single with 371 while his mother Martha Harding leads the ladies with 335. Ronnie has the triple of 892 and Ev the triple of 819.

MEN'S COMMERCIAL

With two weeks left in the Men's Commercial league Ingoldsby holds a commanding 12½ point lead over runner-up Cox's Colts at 129½ to 117. Third is the Minden Progress with 116, fourth Rockcliffe Hotel 100½, fifth Minden Billiards with 99 and sixth is Modern Electric with 92.

Some top scores bowled last Wednesday evening were: Gord Everall 250-215-351-816; Wayne Coltman 360-194-250- for 804; Ron Robinson Sr. 223-290-279 for 792.

INGOLDSBY

Cec Robinson continues to hold top spot in the Ingoldsby league but last week Murray Everson

moved into a share of the lead, each with 54 points. Wally Crofts is also making a move on top spot, moving to within two points last week.

Wally Crofts also holds the top average and single in the league of 222 and 302. Arlene Robinson also holds two individual honours, 301 single and 719 triple. Connie Burke has the top average among the ladies with 195 and Harry Henderson the top triple of 821.

DORSET

After sharing top spot in the Dorset league last week with the Great Balls of Fire, the Castoffs put on a blitz last week and when the 30 frames were completed, the Castoffs had a three point lead atop the standings. Third are the Scramblers.

Boyd Griffin continues to have the top average among the men with 200 and triple of 796. Ronalea McKay tops the women in single, 320 and triple 679. Bob Webb rolled the high single earlier this month of 305 and Cheryl Cross is the top average bowler with 187.

o u t d o o r s

Part 2

Cross-Country Technique

The following principles of cross-country technique apply to everyone—to the recreational skier and touring enthusiast as well as to the most ambitious competitor.

Although good cross-country technique is the most natural and easiest, it cannot be learned by studying theory alone. One must get the 'feel' of it; and this by skiing, skiing and more skiing.

THE DIAGONAL STRIDE

Called 'diagonal' because the limbs work in a diagonal fashion similar to walking (i.e. right arm forward, left leg forward), the Diagonal Stride forms the basis of all cross-country technique.

Concentrate on the following three principles:

Always glide on one ski

A good skier glides relaxed and in perfect balance on one ski. Throughout the glide, the entire body weight is centred over the gliding ski.

The balanced glide on one ski

- allows momentary inactive parts of the body to relax
- prevents the ski from slide-slipping off the track.
- leaves the skier free to initiate other movements in the horizontal plane (such as changes in direction, etc.)

CENTRE THE WEIGHT OVER (not behind) the ski

Proper weighting over the ski is characterized by a marked forward lean. The lean is facilitated by strongly flexing the knee of the glide leg. (The boot tip, but not the stockings, should just be visible below the knee).

Proper weighting over the ski

- allows development of maximum pulling force by the arms
- prepared the skier for movement changes in the vertical plane, such as changes in stride length and rate (cadence) on uphill stretches and properly timed and executed action on moguls (crests and troughs).

STRETCH COMPLETELY AND FORCEFULLY WITH EACH STRIDE

A complete and forceful stretch (extension) is made possible by:

1. a quick forward and upward swing of the arm from the shoulder which
2. facilitates powerful hip extension and the almost simultaneous extension of
3. the knee
4. the ankle
5. and the foot (with a final strong push-off from the toes.)

This means that the striding action is initiated by the body, not the limbs. An effective stride consequently does not depend on leg length but rather on the quality of hip extension.

Also keep in mind the following important points:

The Push-off

The stretch action is completed with a powerful final push from the toes.

The Leg swing-

Theorists often debate whether the ski should be kept off the snow as the leg is swung forward, or whether it should be kept in contact with the track. In practice, the former is more efficient and elegant on a good, hard track and with properly waxed skis. On poorly tracked icy, or otherwise difficult snow and on skis which are too fast, it is advantageous to slide the ski (unweighted of course) forward on the snow.

The Pole Action

The pole is planted at a level even with the opposite foot. The tip points backwards. The pole action follows the stretch, that is, a split second after the push-off from the ski is initiated. The arms work in a vertical plane parallel to the direction of travel. The hand on the pole grip is brought low past the knee of the glide foot.

Next week we will take a look at the Pendulum Stride, The Swedish Three Stoke, The Combined Strides, The Double Pole Push, The One-Stride, The Two-Stride and the Three-Stride.

Dollo's IGA Bantams down Omemee

On Jan. 15th, the Tri County Dollo's I.G.A. Bantams skated to an easy 5-1 victory over Omemee in Omemee.

Charles Austin was top marksman for Dollo's with two goals and an assist. Paul Northey picked up a goal and an assist, and Ward Craig and Keith Casey added singles.

On the same evening the McKnight's Shell Midgets ended their season undefeated with 12 wins and three ties, when they downed the Omemee Midgets 4-2.

Minden played extremely well considering they only had seven players for the first two periods and eight in the third.

Kim Hamilton scored twice for Minden while nursing a badly swollen ankle. Stu Russell also potted a pair.

The Mike's Milk Atoms played Bobcaygeon over the weekend but came out on the short end of a 3-0 loss. The score could have been higher considering half the team was suffering from the flu causing a postponement of their game in Cannington on Sunday.

On Jan. 16th at the Centre, the Wrightman's Real Estate Peewees dropped a heartbreaker 3-2, to Bobcaygeon.

The Bobcaygeon netminder was the difference in this contest, stopping numerous scoring opportunities by the peewees.

Minden goal-getters in a losing cause were, Craig Coneybeare and Claude Craigo.

TOWN HOCKEY LEAGUE

Chalkdusters settle for 8-8 tie with Foam Blowers

Haliburton Chalkdusters (foreground) warm-up prior to their Town League game

with the Rockcliffe Foam Blowers on Sunday evening

at the Minden Community Centre.

On Sunday evening at the Centre the Haliburton Chalkdusters came out and played two super periods of hockey against the Rockcliffe Foam Blowers and held a 4-3 lead. Keith McIntosh was spectacular in the Rockcliffe net, robbing the Chalkdusters on at least seven occasions of what appeared to be sure goals.

In the third period the Foam Blowers came out flying and in a wide open period of end-to-end play, came away with one point on the strength of an 8-8 tie.

Scoring for the Chalk-

dusters were Gary Brohman and Stuart Baker with two apiece and singles went to Bob Penfold Jim Milne, Will Robertson and Mike Pearsol. For the Foam Blowers Dave Dollo, and Wayne Johnson with two each. Other scoring not available, sorry.

Many Canadians do not eat properly and some are even suffering from malnutrition. About half of the adult Canadian population is over-weight, and many suffer from iron deficiency or deficiency of such vitamins as B, C and O. Make proper eating habits part of your Lifestyle.

Colliver wins Minden

Mens Bonspiel

Haliburton Curling Club's Bob Colliver defeated Minden's Bill Obee 11-6 in the championship game to walk off with first prize and the Central Distillers Trophy in Minden's annual Men's Invitational Bonspiel held at the Minden Curling Club last weekend. A total of eight teams competed for the coveted trophy and the day was highlighted by keen competition and true sportsmanship.

Curling with Colliver were Bob Houston, Clark Bailey and Neil Burk.

The Colliver rink amassed 54½ points from three consecutive victories defeating Mike Collins of Wilberforce 13-2, beating Lon Coburn of Minden 10-5 and, in the final game, topping Bill Obee of Minden 11-6.

The Garth Kellett entry from Minden, with Don Blakey throwing skip rocks, finished in second spot on the strength of 43½ points from two wins. Jerry McKelvey and John O'Toole rounded out the Kellett team that swamped Gary Bailey of Haliburton 16-5 then lost 8-6 to Obee but rebounded in the final game to defeat Coburn 11-4.

Third prize went to the Gary Stoughton entry from Wilberforce skipped by Fred Berning with Bill Everson, Stoughton and Jack Watson completing the team. Stoughton had 39½ points from two wins, his only loss, 10-3, to Coburn in the first game. He beat Collins 9-5 in the second contest and thumped Jim Redner of Brampton 13-4 in the last game.

Fourth prize went to the Redner team that accumulated 25½ points on the strength of one win in three games.

The consolation prize was awarded to the Collins rink that went winless in three attempts.

Prizes, such as pocket calculators, made this 'boon by prize' soften the blow.

All the curlers sat down to a delicious roast beef dinner prepared and served by the club's hardworking ladies auxillary.

Congratulations to Bill and Penny Obee and Bob and Dale Austin for organizing such a successful bonspiel which took lots of hard work and many hours in preparing. Thanks to the men in charge of the ice for maintaining it's excellent quality and a

\$5,500 grant to Haliburton County Snowmobile Association

The Ministry of Natural Resources has approved a special grant of \$5,500 to the Haliburton County Snowmobile Association, according to a recently released outline of the Ministry's Recreation Trails Program for the Minden District. The third such annual grant to the association under the Provincial Winter Recreation Program, it is being made to assist the association with the grooming and maintenance of some 90 miles of public trails in the Haliburton-Minden area. A similar grant of \$2,500 has also been approved for the Twin Mountains Snowmobile Club of Bobcaygeon to assist them in maintaining about 40 miles of public trails in the south part of the District.

The report went on to say that the "5" points Recreation Trail System, located south of Gooderham, through Galway and Cavendish Townships, is open to the public again this season for snowmobiling. This 62 mile double loop system is groomed at least once or twice a week as required. At each of the 5 points of entry to the system there are park-

tip of the hat to our local businessmen for donating every prize awarded.

ing lots and toilet facilities. This trail links up with the "Rathbun Trail" to Apsley, as well as with club trails to Bobcaygeon and to the Kinmount area. The trail is well marked, and is maintained to a standard which provides an enjoyable experience. Extreme caution should be exercised at all time as two way traffic will be encountered.

Cross Country Skiing and Snowshoeing

The growing popularity of

cross country skiing and snowshoeing will be served by two new trail systems this winter. These trails are located within the Victoria County Agreement Forest in Somerville Township, and are accessible off Highway 503 about 3.5 miles west of Kinmount. A ski trail loop system 4.25 miles in length, has been developed south of the highway, and a snowshoe trail of similar length has been developed north of the highway. Both are designed to avoid areas of steep topography and sharp

corners, and to provide for a high quality experience. The ski trail is designed for the beginner and the intermediate ski enthusiast.

For information brochures on these trail systems please contact the Ministry of Natural Resources Offices at Minden or Gooderham, or write to the District Manager, Ministry of Natural Resources, Minden Ontario, KOM 2K0.

MINISTRY OF CONSUMER AND COMMERCIAL RELATIONS
THE LIQUOR LICENCE ACT, 1975
NOTICE OF SPECIAL MEETING

TAKE NOTICE THAT a Special Meeting of The Liquor Licence Board of Ontario will be held at THE LEGION HALL, 217 MURRAY STREET, PETERBOROUGH, ONTARIO, on THURSDAY, FEBRUARY 10th, 1977, at the hour of 2:30 o'clock in the afternoon, at which time the Board will hear applications for new licences in accordance with The Liquor Licence Act, 1975 and Regulations thereunder.

The following establishment has applied for a licence of the type indicated, and the application will be entertained at the aforementioned location and time.

AND FURTHER TAKE NOTICE that any person who is resident in the municipality and objects to any application may file the grounds of objection in person at the time and place of the meeting or in writing to:

Executive Director,
Liquor Licence Board of Ontario,
55 Lakeshore Boulevard East,
TORONTO, Ontario, M5E 1A4.

Horse killed in crash

Just two collisions marred the past week in the Haliburton County area but a Haliburton man was injured in one while a horse belonging to Snowdon Township Reeve and newly elected County Warden, Bob Vick, was killed in the other.

According to police Timothy J. Woods, 35, of Haliburton was taken to hospital in Haliburton with minor injuries when he applied the brakes and his northbound car skidded into a restraining barrier on Highway 519 near Hali-

burton a week ago Monday morning.

Damage to the car amounted to some \$600.

Investigation by Provincial Constable Mike Legge.

In the second accident a car driven by Wayne C. Richards, 27, of Toronto was northbound on Highway 519 around 6:30 pm last Friday when it rounded a curve and collided with a horse standing in the northbound lane.

Damage to the car totalled \$400.

Investigation by Provincial Constable Bob Wood.

IN MEMORIAM

HEWITT - In loving memory of my Dear Son Sterling, who died accidentally Jan. 19, 1974.

Little I knew when I woke that morning
The sorrow the day would bring
The call was sudden, the shock severe
To part with the one I loved so dear
God gave me strength to meet it
And the courage to meet the blow
But what it meant to lose you
No one will ever know.
You left some beautiful memories
And sorrows too great to be told
But to the ones who loved you and lost you
Your memories will never grow old.

Always remembered and Sadly missed by Mom.

HEWITT - In loving memory of a dear brother Sterling who died accidentally Jan. 19, 1974.

Brother dear, we miss you so
All through the days that come and go
Through winter, spring and summer weather
The times when we were all together
You gave such joy and love and pleasure
Your memories we will always treasure.

Sadly missed by Brother, Sisters, Inlaws, Nieces and Nephews. 725-1p

Paudash Trail Blazers

You may have thought we got lost as we have not issued a news bulletin in three weeks, but don't fear we have been working too hard to have time to write. Well, we had quite a day on December 31, 1976. We completed the trail past Cope Lake (Maple Lake to the old timers) and are now at the threshold of Wilberforce.

For those of you who may have some time to spare, we would like to have a work party to clear a trail from Bicroft to Highway 648 (Paudash Beach) on Saturday, January 15, 1977. Meet at the Paudash Lake Marina at 9:00 a.m. sharp. We expect to see more cottagers on this work party as the snowmobiling is terrific.

The following weekend we will have an organized Safari. This will be on January 22, 1977, leaving the club house at Paudash Lake Marina at 10:00 a.m. It will be a family outing of about four hours. Bring a lunch. Coffee will be supplied. We will have a lucky draw for those members on the run.

We have had a good response from the Ministry of Natural Resources in so far as a grant for both construction work by the staff of the Bancroft office and is very much appreciated. The Alpine is working and we are expecting to start grooming trails as soon as the next snow fall.

Vance Motors and Bancroft Sports and Marina are two of the local snowmobile dealers who are supporting our club. They are both willing to talk to you about updating your snowmobile fleets. Ben Smook, our Secretary-Treasurer, who is doing a wonderful job points out that we are still looking for new members. Talk it up! We need members to have good trails. Five dollars is not much to pay for good snowmobiling.

Mac Peters has been appointed as an Ontario Snowmobile Federation instructor. We are waiting for the Ministry of Transportation and Communications to provide us with information at Bancroft about courses to be run for 12 to 16 year-olds and other non-licensed drivers. This means when the Ministry of Transportation and Communications' approval is received, we can sponsor instruction courses for 12 to 16 year-olds. If anyone is interested in having their children attend a one day course, please contact Mac Peters, Bill Ackerman, or Ross Lawrence. Children must take one of these courses to be allowed to run snowmobiles on trails.

ONTARIO HOME RENEWAL PROGRAM

Be advised application forms are available at the Township office to participate in the above program. To qualify, maximum family taxable income must not exceed \$12,500 per year.

For further information contact G. Wynne, Clerk-Treasurer at 286-2657 or Robert Vick, Reeve at 286-2423.

CREATE COMMUNITY JOBS NOW. GET YOUR APPLICATION IN BY FEBRUARY 4TH.

Canada Works
Young Canada Works

The restoration of historical buildings, the construction of a fire hall, the replacement of an outdated water system. If you stop and think about it there are probably many good projects that could create jobs and be of great benefit to your community.

This year, a new job creation program called Canada Works will help fight unemployment by providing funds to groups and organizations including private businesses, for worthwhile community projects.

If you have a project that can provide a minimum of five jobs for unemployed people in your area, submit your application to Canada Works.

But do it now. The deadline for applications is February 4th.

Right now, your Canada Manpower Centre has application forms and a Canada Works "Guide to Applicants" that describes the program and how to apply.

Visit your Canada Manpower Centre today.
Canada Works: Make it work in your community.

This summer Young Canada Works will help reduce student unemployment by creating jobs in your community. The students will work on projects of community benefit that will enable them to test their career aspirations.

Any established organization can submit an application to Young Canada Works.

Your proposal should provide a minimum of three student jobs for six consecutive weeks. Projects can operate for up to 14 weeks between May and September. Your local CMC has a Young Canada Works "Guide" and application form.

Submit your application now. The deadline for Young Canada Works is February 4th.

Young Canada Works for students in your community.
